REMEMBER

리멤버

AN OLD MAN'S PRECARIOUS AND TOUGH JOURNEY TO COMPLETE HIS LIFETIME REVENGE.

Pil-ju, a retired soldier of his 80s with dementia, goes in search of the people he believes to be responsible for the death of his family in the past. With 5 names tattooed on the fingers, and pieces of his collapsing memories, Pil-ju tracks down his targets and kills them one by one. A young innocent guy In-gyu unintentionally gets involved in his revenge, and eventually becomes the prime suspect of the murder that Pil-ju committed. To prove his innocence, and to stop this old man's rush, In-gyu can't help but accompanying Pil-ju's revenge journey. Yet, Pil-ju's plan comes closer to an end leaving one last person to execute... Before his memory is completely gone, can Pil-ju get his lifetime revenge done?

FIREFIIGHTERS

소방관

BASED ON A TRUE EVENT, AN INSPIRING STORY ABOUT NOBLE SACRIFICE OF FIREFIGHTERS.

Cheol-woong, a newcomer, is assigned to Rescue Unit of the Fire Station in Seoul. Soon he is sent to his first mission with Jin-seop, a veteran fireman working with a glorious title; the man who saved the highest number of people in the fire. While being overwhelmed by fierce fire and pouring smoke, Cheol-woong witnesses that Jin-seop forces to search the occupant contrary to the chief's withdrawal order. Just before the fire gobbles up the building, Jin-seop manages to escape with a girl in his arms, but a colleague loses the life. Cheol-woong's fear becomes an anger against Jin-seop, and blames him for his colleague's death. When their conflict is still at the peak, they're called for another fire scene which changes their fate for good.

WONDERLAND

원더랜드

WELCOME TO WONDERLAND WHERE YOU CAN MEET YOUR LOVED ONES.

In the near future, a popular service called "Wonderland" allows people to conduct video calls with loved ones whom they can no longer meet in reality. A mother facing her impending death, an elderly lady who lost her grandchild, a girl whose boyfriend is in a coma, a woman in her 30s raised by AI parent since young, each connects the service for their own reasons. Thanks to Wonderland which perfectly recreates the deceased in AI, people are able to hold conversations with their loved ones, and even forget that they've died. However, when the bond between AI and real people gets too deep, an unexpected system bug arises, risking not only Wonderland but also the people involved in the service.
